

Sam Altman Admits That Saying 'Please' and 'Thank You' to ChatGPT Is Wasting Millions of Dollars in Computing Power

Posted by u/lordtema • 0 points • 28 comments

I will continue doing this until OpenAI is bankrupt!

Sam Altman is a dopey twit.

u/darlingsweetboy • 1 points • 2025-04-21 18:01 UTC

He's trolling. That is something a Freshman intern could identify as an optimization and fix.

u/ezitron • 2 points • 2025-04-21 16:46 UTC

pretty sure this is a roko's basilisk joke which is so annoying

u/nonlinear_nyc • 2 points • 2025-04-21 16:24 UTC

Try “fuck you” and “bitch” instead.

u/danielbayley • 2 points • 2025-04-21 16:22 UTC

The obvious solution is to remove manners from society. Everything in service to the whims and limitless greed of these psychopaths.

u/Easy_Drawer4773 • 3 points • 2025-04-21 15:17 UTC

I'm prefacing my prompts with 16th century era letter apologies.

u/saturncars • 3 points • 2025-04-21 14:13 UTC

This is so dumb, you could write a script that auto responds to phrases like that instead of use 100 gallons of water to think of something

u/From_Adam • 1 points • 2025-04-21 13:33 UTC

lol

u/Quick-Albatross-9204 • 1 points • 2025-04-21 13:16 UTC

Chump change compared to the word "tariffs"

u/neur0net • 2 points • 2025-04-21 08:14 UTC

MiniVeePee JD Vance told me you have to say thank you, so I'm just trying to follow orders as a red-blooded patriotic 'Murican

u/steveoc64 • 3 points • 2025-04-21 05:55 UTC

This confirms my suspicions that ChatGPT uses INTERCAL for it's internal representation of an AST when generating code

u/No_Honeydew_179 • 5 points • 2025-04-21 03:17 UTC

me:

u/MrOphicer • 9 points • 2025-04-21 00:39 UTC

I hope people are being extra polite while getting dumber.

u/Own_Cost3312 • 30 points • 2025-04-21 00:03 UTC

What an unbelievably stupid fucking dumb time to be alive

u/PatchyWhiskers • 1 points • 2025-04-20 23:53 UTC

Don't they filter out filler words?
