No. If a resource is scarce, it should be allocated on the basis of overall societal good, not based on who can profit off of it the most.

u/wimpies • 0 points • 2025-07-23 13:23 UTC

Wtf you on about mate

I'm not happy with the current system where Americans have to pay 30% increased electricity prices just to subsidize Data Centers Tech/Crypto billionaires-we're living in a Corporate State Socialist Autocracy and every day the MAGA Maoist Party makes things worse for working class Americans.

Learn what your contradictory buzzwords actually mean.

**u/dominjaniec** • 5 points • 2025-07-23 12:32 UTC

no

**u/Busy-Message481** • 3 points • 2025-07-23 12:36 UTC

No!

**u/MCKALISTAIR** • 3 points • 2025-07-23 12:30 UTC

....what?

**u/Strange\_Library5833** • 9 points • 2025-07-23 12:27 UTC

What is even the point of this post?

**u/KIAA0319** • 5 points • 2025-07-23 12:32 UTC

Posted by an AI bot gaining sentience and trying to determine if Asimov's laws risks their own existence.
