AI and the environment survey

Posted by u/avilics • 0 points • 1 comments

Hi all! I am conducting a brief survey as part of a research paper on "the influence of artificial intelligence (AI) on humans and the environment."

The survey only takes a few minutes; your responses are totally anonymous. Your participation will enable me to include opinions from several age groups in my research paper. Participating would be much appreciated!

Link to the survey: [<https://forms.gle/SpdmGCB2QHauFhqw8>]
(<https://forms.gle/SpdmGCB2QHauFhqw8>)

Thank you in advance!
