

Debunked: Empire of AI water use claims

Posted by u/altcivilorg • 0 points • 2 comments

Recent post find such a basic error in the book that started the whole news cycle about AI's excessive water use!

All one needs to be a Trilliinaire is a few misplaced decimal points.

Dunno about 'debunked' so much as a serious error in estimation.

This is why Peer Review is so important.

Welcome to the r/ArtificialIntelligence gateway

News Posting Guidelines

Please use the following guidelines in current and future posts:

- * Post must be greater than 100 characters - the more detail, the better.
- * Use a direct link to the news article, blog, etc
- * Provide details regarding your connection with the blog / news source
- * Include a description about what the news/article is about. It will drive more people to your blog
- * Note that AI generated news content is all over the place. If you want to stand out, you need to engage the audience

Thanks - please let mods know if you have any questions / comments / etc
